CPD hours delivered

A new topic and something I know very little about. Extremely helpful Gave me "food for thought!"

Concurrent, flexible agendas allowed delegates to attend any teaching session interchangeably. Our new "Neighbourhood" approach, aligned with the Government's 10-year plan, brought all healthcare teams together to collaborate, discuss and further develop frail patients' care.

Nice to put a face to the name...

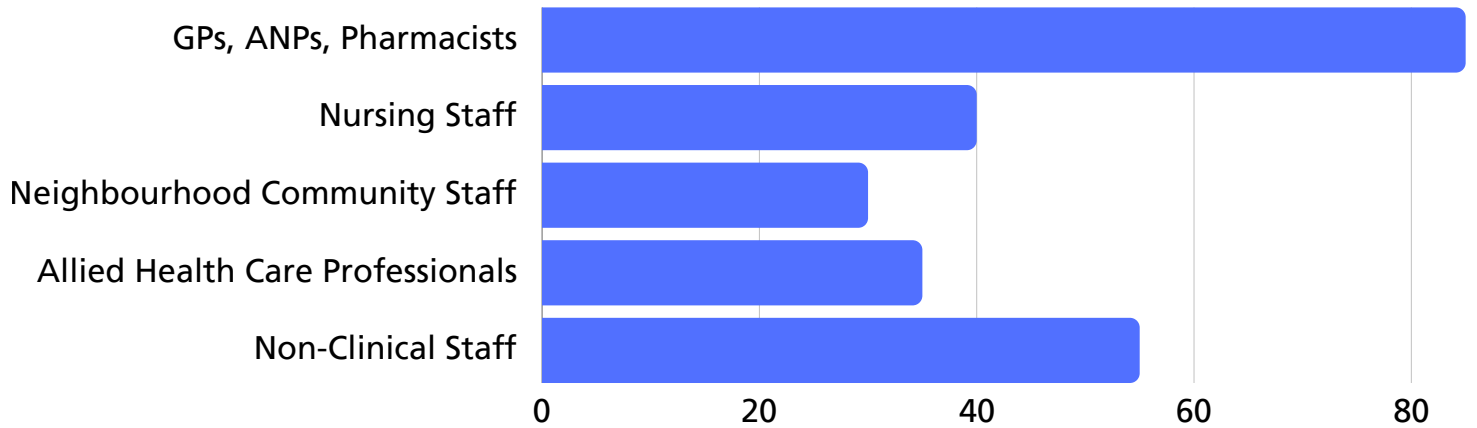

Choosing sessions was very useful; this also gave me deeper insight to my colleagues' roles

Really good speaker Engaged well. I told her this too! Refreshed areas and developed on others
